

April, 2008

Dear

Habitat for Humanity of Suffolk has built 120 houses since 1987, housing over 450 adults and children. They are currently building in Bellport, Coram, and Wyandanch with the majority of their labor being done by volunteers. This allows them to keep down costs, and in the end, help more families. Local statistics show that more than 500 single and double income families are currently living in shelters in Suffolk and need a simple, decent, affordable place to live. Habitat strives to eliminate poverty housing by giving hard working families a hand – up NOT a hand out.

I have the opportunity that will allow you to participate with me in a project that will make a tremendous difference to a family in need in Suffolk County. Habitat for Humanity of Suffolk has organized a 2008 Women's Build event that will be taking place throughout the Summer.

As a participant in this event I will work side by side with the Habitat Homeowner Family and women volunteers of all ages from all parts of Long Island. It is an opportunity for me to share my time, talent and energy while helping a family struggling to obtain what so many of us take for granted.

Become a partner in Habitat's mission. Please consider sponsoring me by making out a check now, payable to Habitat for Humanity of Suffolk and returning it to me in the enclosed envelope. Regardless of the amount of the gift, Habitat for Humanity will send you a receipt acknowledging your tax deductible contribution in this effort.

I hope you will take this opportunity to make a gift that really can change the lives of people in need.

With Sincere Thanks,

Habitat for Humanity International is an ecumenical Christian ministry dedicated to eliminating poverty housing. Founded by Millard Fuller, along with his wife Linda, Habitat for Humanity International and its affiliates in nearly 3,000 communities in 100 nations have built and sold more than 200,000 homes to partner families with no-profit, zero-interest mortgages.
