### 12th Annual Roger Metcalf Memorial Golf Classic

Monday, May 10, 2010  
**HAMLET WILLOW CREEK, Mt. Sinai**

Habitat for Humanity of Suffolk's leader for 13 years, Roger Metcalf passed away suddenly in September 1999. He was the "heart and soul of Habitat." Roger built 45 houses in partnership with God's families in need from 1986. Under his leadership, Habitat Suffolk went from building one house every 2 years to being one of the top 10% of all U.S. affiliates - currently ranked # 5 of over 200 affiliates in the Northeast.

"Thank You" to our honoree, Dr. Strongwater, and Stony Brook University for partnering with us again this year... to all of our sponsors, supporters and participants of this Annual Roger Metcalf Golf Classic. You make it possible for Habitat Suffolk to build 12 new affordable homes in 2010— creating hope and opportunity for low-income working families! We will keep on building until one day, "all of God's children have a decent home to live in."
